

Would you like to join the Downer team?!

E te iti, e te rahi, tēnā koutou katoa!

Are you motivated, about to leave school or have left school? Downer are looking for you! Downer is offering Whakatipu Tētēkura to school leavers or those who recently left school and is a one week marae based programme that will give you qualifications and life skills to get you ready to start employment with them.

If you have a positive attitude, willingness to learn, a minimum of a restricted drivers license and are looking for a full time career in a large infrastructure company then you are almost there.

The intake will begin training December 2021, based in Wellington. After this, you will begin employment with Downer on one of our many construction projects with the eventual move to the Te Ara Tupua project (building a shared pathway between Petone and Ngauranga).

Whakatipu Tētēkura will offer you:

- An introduction to the infrastructure industry;
- A one week marae based residential programme;
- Life skills training and qualifications to get you ready for work;
- Full time employment with career opportunities nationwide;
- Ongoing workplace, mentoring and qualification support.
