BRYCE O'SULLIVAN CONTRACTING LTD

## Who is BOSCO?

BOSCO is a Porirua based earthmoving and civil construction company who have been trading for over 10 years.

Bryce our Managing Director started the company in 2010 when he was just 16 years old.

Over the years BOSCO has very much become a family business, both Bryce's parents and siblings are employed by the company along with his partner, her father and other members of the extended family.

We complete a large range of projects from small residential works to large commercial sites and subdivisions.

With over 100 items of plant and 75 staff the company has grown its capability and services offered over the years.

We pride ourselves on maintaining our plant and equipment to the highest standard and having it fitted with the latest technology such as GPS.
