Expressions of Interest | Iwi Cultural Health Monitor

We indicated in our September pānui the need for iwi Cultural Health Monitors. The need is still there, and a role available. The role will be responsible for cultural monitoring and other cultural and management responsibilities for the iReX project. On a day-to-day basis the cultural health monitor will work closely with the environmental, design and construction managers and staff and will also be a conduit for Te Au o Rehutai and the Trust.

If this sounds like something you're interested in, or you'd like to know more, [email](#) us with a copy of your CV and a short statement as to your interest and experience.
